Preamble.  
1906-7, c. 64.

WHEREAS The Bonaventure and Gaspé Telephone Company, Limited, a company incorporated by chapter 64 of the statutes of 1906-7, has by its petition prayed that it be enacted as hereinafter set forth and it is expedient to grant the prayer of the petition: Therefore Her Majesty, 5

and with the consent of a majority of the shareholders present or represented by proxy at any annual general meeting or at any special general meeting of the shareholders called for that purpose: Provided that the total capital stock of the Company, including the present 25

## EXPLANATORY NOTES.

*Clause 1.* Section 1 presently reads as follows:

"1. John Hall Kelly and Albert Caldwell, both of New Carlisle, Walter Hamon, John P. LeGrand and Eugene Bouillon of Paspebiac, W. J. Enright, of Port Daniel, R. H. Montgomery, of New Richmond, R. N. LeBlanc, of Bonaventure, all of the county of Bonaventure, in the Province of Quebec, and W. H. Wiggs, of the City of Quebec, in the Province of Quebec, together with such persons as become shareholders in the Company, are incorporated under the name of "The Bonaventure and Gaspé Telephone Company, Limited", hereinafter called "the Company".

The company operates primarily in the Province of Quebec, and for this reason, it is felt desirable to have the name in French as well as in English.

*Clause 2.* Sections 3 and 4 presently read as follows:

"3. The capital stock of the Company shall be one hundred thousand dollars, divided into shares of one hundred dollars each, and may be issued in whole or in part, and may be called up from time to time and in such manner as the directors determine; but no one call shall exceed fifty per cent on the shares subscribed, and there shall be an interval of at least thirty days between calls.

4. The capital stock may, after the whole thereof has been subscribed, and at least fifty per cent thereon has been paid up in cash, be increased from time to time by resolution of the directors, confirmed by two-thirds in value of the shareholders present or represented by proxy at any annual meeting, or at any special general meeting of the shareholders called for that purpose, in either case on thirty days' notice, to such an amount not exceeding one hundred and fifty thousand dollars additional, as the shareholders deem necessary."

The purpose of these new sections is to obtain authority to increase the capital stock of the Company from one hundred thousand dollars, divided into shares of one hundred dollars each, to two million dollars divided into shares of a par value of twenty-five dollars each. The authorized capital was subscribed and paid in full in the early years of the operation of the Company.

The capital sum required for the operations of a small local telephone system a half century ago is entirely inadequate to meet the necessities of a territory which is now undergoing a great economic expansion and wherein the necessities of the population for better and enlarged telephone communication are constantly increasing. The Telephone Company is now faced with a growing demand for better equipment and extension of its facilities to individuals and to entirely new communities established in the region.

Board of Transport Commissioners for Canada of the amount, terms and conditions of such issue, sale or other disposition of such capital stock.

Par value  
of shares  
changed.

**4.** (1) Notwithstanding anything in chapter 64 of the statutes of 1906-7, the capital stock of the Company is hereby subdivided into shares of the par value of twenty-five dollars each. Every person holding a share or shares of the par value of one hundred dollars each shall hereafter be deemed to be the holder of the same aggregate amount of the stock divided into shares of twenty-five dollars each, and on surrender of the share certificate or share certificates for shares of the par value of one hundred dollars each held by him shall be entitled to receive in exchange therefor a new certificate or certificates for the same aggregate amount of stock expressed in shares of the par value of twenty-five dollars.

Coming  
into force.

(2) Subsection one of this section shall come into force on the first day of July, 1955, or on such earlier date as the directors of the Company may fix by resolution."

**3.** Section 8 of the said Act is repealed.

20

**4.** Section 10 of the said Act is repealed and the following substituted therefor:

Sale, lease or  
amalgama-  
tion with  
other  
companies.

**6.** Section 16 of the said Act is repealed and the following substituted therefor:

Borrowing  
powers.

**"16.** (1) If authorized by by-law, sanctioned by a vote of not less than two-thirds of the subscribed shares of the Company represented at a general meeting duly called for considering the by-law, the directors may from time to time.

- (a) borrow money upon the credit of the Company;
- (b) limit or increase the amount to be borrowed;

The new section 11 grants to the Company, subject to the approval of the Board of Transport Commissioners for Canada, powers normally granted to all Canadian companies under authority of the Companies Act.

The effect of the new section 12 is to give jurisdiction to the Board of Transport Commissioners with respect to power of the Company to amalgamate with, purchase and to sell its undertaking to companies having similar powers to its own and confers jurisdiction for approval of such transactions upon the Board of Transport Commissioners rather than upon the Governor in Council.

Section 13 confirms the jurisdiction of the Board of Transport Commissioners by applying to the Company the relevant sections of the Railway Act.

*Clause 6. Section 16 presently reads as follows:*

"16. If authorized by by-law, sanctioned by a vote of not less than two-thirds in value of the subscribed stock of the Company represented at a meeting duly called for considering the by-law, the directors may, from time to time—

- (a) borrow money upon the credit of the Company;
- (b) limit or increase the amount to be borrowed;
- (c) issue bonds, debentures, or other securities of the Company, to an amount not exceeding two hundred thousand dollars and pledge or sell them for such sums and at such prices, as are deemed expedient; but no such bonds, debentures or other securities shall be for a less sum than fifty dollars each;
- (d) hypothecate, mortgage or pledge the real or personal property of the Company, or both, to secure any bonds, debentures or other securities, and any money borrowed for the purposes of the Company."

The purpose of the new section is to remove the limitation on the right of the Company to issue bonds, debentures or other securities of the Company in order to allow the Company, if necessary, to expand by way of borrowing in accordance with sound and accepted business practice.

(c) issue bonds, debentures, debenture stock or other securities of the Company for sums not less than twenty-five dollars each, and pledge or sell the same for such sums and at such prices as may be deemed expedient;

5

(d) hypothecate, mortgage or pledge the real or personal property, movable or immovable, or both, present and future, of the Company, to secure any such bonds, debentures, debenture stock or other securities and any money borrowed for the purposes of the Company.

10

Bills  
and notes.

(2) Nothing in this section contained shall limit or restrict the borrowing of money by the Company on bills of exchange or promissory notes made, drawn, accepted or endorsed by or on behalf of the Company."

7. The said Act is amended by adding thereto the following as section 19:

R.S. 1952,  
c. 233.

"19. It is hereby declared that subject to the provisions of the *Radio Act* and of any other statute of Canada relating to radio and radio broadcasting and to the regulations made thereunder, the Company has and always has had the power to operate and furnish wireless telephone and radio-telephone systems and to provide services and facilities for the transmission of intelligence, sound, television, pictures, writing or signals."

20

*Section 7.* Section 19 is a new section. Its purpose is to clarify the Company's powers under its original act of incorporation with regard to the use of modern and more improved means of communication including radio, telephone and television.
